ANTARES 7

Timeless, the latest Antares 7 has its root in the three values of safety, simplicity and habitability. A reliable boat designed to enjoy short coastal cruises, the Antares 7 can be easily trailered and towed.

The Antares 7's innovative flared-hull boasts safety and outstanding seakeeping, offering wonderful driving sensations and a very elegant silhouette. Available in our Cruising version with a cockpit designed for entertaining, or our Fishing version for an open layout equipped with a fishing station and live bait tank.

The wheelhouse is surrounded by windows and has a 360° view of the sea. A sliding glass hatch on the roof bathes the interior in natural light, and the walnut woodwork and neutral upholstery palette contribute to making the Antares 7 contemporary yet timelessly stylish.
