ANTARES 8

A supremely versatile boat, perfect for chilling out with friends or setting off to cruise for a few days. More innovative and versatile than ever, the new Antares 8 V2 boasts a range of new leisure functionalities, so you can enjoy maximum comfort and set sail in style and elegance.

At the rear, the modular cockpit guarantees a comfortable driving experience. The new stowable table in the saloon lets you convert the bench seats into a large sunpad and is perfect for hosting onboard meals with your passengers. A wide starboard walkway makes way to a huge bow sunpad.

The wheelhouse is accessed by a large sliding glass door, sheltering a well-equipped modular living space. There is a double cabin at the bow of the boat, with storage and a shower ensuite, so you can stay on board for a few days. Two additional berths can be set up, in and under the saloon.
