## 490

SKI

The 490 is primarily designed for estuary, river and lake skiing however with a renowned Lazercraft hull, it can still take on a decent chop with comfort and ease.

Designed to comfortably seat four, the 490 can take up to 130HP to easily pull up single skiers, and thanks to its durable 5mm alloy hull, nosing up on a pebble beach will never be a problem again.
