

OCEANPRO

530 HT

Images may show optional upgrades.

Oceanpro 530 HT

On the 530 HT, Oceanpro's stable and smooth-riding warped chine hull is paired with a hardtop for greater weather protection. The 530 HT has ample dry storage for your gear and a large deck area to provide fishing space for four adults. This is a highly capable, compact hardtop boat that won't break the bank at the fuel pump.
