Southern

ALLOY BOATS

One of Southern's most popular.

The XP746 is the recipe for an awesome weekend on the water. At 7.75 metres overall you won't be left wanting and it is available in open hardtop and enclosed wheelhouse options for maximum versatility and practicality.

As standard, the XP746 is adorned with features many manufacturers would consider optional extras, however customisation is the key to achieving a boat to suit every application and a wide range of options are available to suit every buyer.
